# ***PRESIDENT'S REPORT***

Hello Everyone,

I would like to welcome everyone back into the 2019 racing season. The year is progressing well with the new calendar set and ready for the year.

You will notice a reduction in the number of events for this 2019 season, this is due to the escalating costs to run events and the availability of track time offered. Unfortunately the cost of entries has increased slightly in an attempt to off set the escalating costs to run each event. Entry fees will now be \$120 per event which will include entry and half a bit bay.

Thanks to all the participants, volunteers and officials who attended the "Test and Tune " last weekend. The day allowed drivers to have some fun and sorting out problems prior to the commencement of the season. Thanks to all classes who provided extra officials so that the event could progress.

The first point score round Ross Hanning Memorial is scheduled for 23 and 24 March. It is not far away so dust off your race suits and tune up your cars ready for the official start of the 2019 season point score.

Later in the year there are several exciting events such as "Have a Crack at the Track" in July and the Commodore Cup Enduro and Saloon Car Title event in August which should both be fantastic weekends for all involved. NAMSC will required all hands on deck to help with the running and support of these events so keep your eyes out on the calendar and social media. Thanks to Garry Dempsey and Jake Burgess.

The new NAMSC shed has been completed and our equipment is in the process of being moved into the new and spacious surroundings. Thanks again to the hard work of Gavin Thompson and David Ling. A working bee is to be scheduled in the near future and I would like to encourage members to put there hands up to assist with this task. Many hands will make light work and Laurie Feehan will be happy to get his old shed back in a timely manner.

A big thanks to our officials who attend and regularly support our events. We would like to encourage more people to become involved as officials. Training can be provided which will allow people to participate at both club and national levels here and interstate. If your vehicles are not ready, in the process of being repaired or are not coming out to race this season please think about offering up your time to assist with the running of the events. Lunch will be provided ,cool drinks and a BBQ at the end of the day to say thanks for your efforts. Unfortunately events don't run themselves and without extra help the many tasks will be left up to a few.

Let's all consider donating some of our time in an effort to support your club and your fellow race drivers. Good luck for the 2019 season and I look forward to seek you trackside

Cheers  
Peter Anderson  
President NAMSC

# ***NAMSC OFFICIALS***

## **Interested in becoming a Motorsport Official?**

We are always keen for new officials to come down and help run our events. No experience required, free training provided! Our officials also get cool drinks throughout the day, lunch provided as well as the chance to win cash prizes! Most of our events also end with a club bbq for officials and drivers!

Keen? If so, send us an email at [info@namsc.org.au](mailto:info@namsc.org.au) or send us a PM with you email address and we will send through the details of our next event!

Hope to see you there!

# ***HAVE YOUR SAY***

**Are you selling a car, running a fundraiser or just have information or a story to tell?**
