# ***PRESIDENT'S REPORT***

Hi all,

The month of June has come and gone along with V8 Supercar round. Well done to all competitors and again a big thanks to David Ling who organised the support category events on behalf of NAMSC. We hope that the two categories will happen again next year with even more entries!

At the end of June I was invited to attend The Bend Motorsports Complex Race Control in SA by Rob Thiry. A big thanks to Rob who went out of his way to show Tanya, Brent and I the facility and also assisted us with several vehicle issues outside his CAMS role whilst in Adelaide.

The Bend is a fantastic facility with state of the art technology. I picked up some amazing ideas and met some great people in Race Control. Practice was done by 20 CTV Cameras and lights controlled by one CAMS official. A quick \$300 for practice was a bit steep for this president but I hope to return next year for a race event with the SA HQ guys. Tanya and I will aim to choose a warmer time of the year as the weather was dismal and beanies and scarfs had to be worn along with many layers of clothing just to keep warm. I was also able to assist one of the young WA HQ drivers Adam Butler (HQ93) who recently attend Darwin to compete in our V8 round. A great day of racing in the rain with 15 ton of dirt being required to fix the track. Laurie is not the only one who gets upset. Go figure.

“Have a Crack at the Track” is fast approaching. Please make sure that you are available to assist with this upcoming event as we support grass roots motorsports and attempt to provide interesting events to showcase our club and motor racing in the Northern Territory. Details are on the NAMSC website and social media. Don't forget to encourage friends and family to come down and have a go or attend and watch this new and exciting event. Check out the upcoming work allocation list and offer up your services as may hand will make light work.

Commodore Cup Enduro and Saloon Car Title Event is in August. Again assistance of members will be needed so please try to make it down and lend a hand. Let the club know ASAP so we can organise positions and jobs for this important event. Again details are on NAMSC Website and social media.

Cheers

Peter

**NAMSC**

The NAMSC Committee meets each month and as a way of increasing the communication to all of the club's members, the monthly newsletter will now feature key news and information for members.

## **Night Racing rescheduled!**

- Due to a clash in dates with Red Centre NATS and the Monster Truck event at Northline Speedway, we have decided to move the Night meeting to Saturday 28 September 2019. This event will now comprise of Round 3 of the Championship and will also be the 2019 NT Titles. The event is now in the planning phase and we hope to have entries opening in the very near future!

## **Additional Sponsors / Lapsprint Day**

- In replacement of the original night meeting date we have decided to maximize our track booking and hold a Lapsprint / Sponsors day on this day instead. This event will now be held on Sunday, 1 September 2019. Further details coming soon!

## **Officials for Crack @ the Track Event**

- We are on the lookout for officials for our Crack @ the Track event. If you or someone you know is interested in lending hand with this inaugural event it would be greatly appreciated! Please contact [info@namsc.org.au](mailto:info@namsc.org.au) if you able to help.
